Re: Westport, CT Post Office

This is written as a follow-up to previous correspondence concerning a new location for the Westport Post Office.

The Postal Service advertised for space in which to locate its post office operations in Westport. Based on the results of the advertisement, the Postal Service has selected the property located at 275 Post Road East, the Playhouse Square Shopping Center, as the new location for the Post Office.

We believe this new site will provide the community with an efficient, modern facility that offers a safe working environment for our employees and a level of service expected by our customers.

As provided in postal regulations, your office may offer comments on the selected location within the next 30 days. Comments should be directed to Vice President, Facilities, and addressed to my attention at the address shown in this letter. A response will be provided within 15 days.

Sincerely,

Joseph J. Mulvey
Real Estate Specialist

2 Congress Street, Room 8
Milford, MA 01757
